Friday July 29 & Saturday July 30

\$150 Entry Fee Per Team – Please Pay at Counter

2016 Member/Member Format

Teams will be split into 6 team flights based on team handicap. There will be five 9 hole matches within each flight. Three matches on Friday and two matches on Saturday. It will be match play format with the winning team receiving 1 point. If there is a tie, each team will be awarded 1/2 point. The winner of each flight will be determined by total points from all 5 matches with prizes being awarded to the top 3 teams of each flight. Ties will be broken by head to head results. If that doesn't determine the winner then it will be determined by a sudden death playoff. The winning team from each flight will move on to a shootout. In the shootout, all teams will start on hole number one with the highest net score being eliminated after each hole until there is only one team remaining. If there is a tie for the highest score on a hole there will be a chip off to determine the team that will move on.
